Cricket
GP302

The all-new Cricket Power Wheelchair is stylish, agile, and extremely portable. Crafted with an incredibly strong yet lightweight 100% carbon fiber frame, the Cricket weighs as light as 33 lbs.*, making travel a breeze! The slim sporty design is perfect for navigating indoors and out while sightseeing, shopping, or dining. The roomy padded seat cushion and durable mesh back align with the natural curves of your body providing long-lasting comfort while on the go. The Cricket features a well-styled joystick designed to make everyday tasks easier such as driving up to a table or maneuvering through a doorway. It has an impressive 22" turning radius and offers a 300 lb. weight capacity, maximum speed of 3.7 mph, and an operating range of up to 9.3 miles on airline-friendly 12 AH 24V lithium-ion batteries. It also offers convenient offboard charging and folds effortlessly for transport. The Cricket offers excellent performance and portability for your active lifestyle!

Standard Features:

- 100% Carbon Fiber Frame
- 300 lb. Weight Capacity
- Removable Compact Joystick with USB Charger
- 35 Amp Controller
- Convenient Under Seat Storage Bag
- Removable Padded Seat
- Offboard Charging Capability
- Easy One-Step Folding
- Stands on End for Space-saving Storage
- Airline-approved Lithium-ion Battery
