Companion 4-Wheel (Full-Size) GC440

Companion

Golden's popular Companion 4-wheel scooter has a sporty new look and upgraded comfort features! This next-generation model has a well-designed, wider infinite adjustable tiller with a digital dashboard featuring a percentage battery life indicator and water-resistant buttons on the control panel, plus two convenient cup holders. It offers the most leg and foot room in its class with a modern, rugged design and full front and rear suspension for a smooth ride. The luxurious high back stadium-style seat with a quilted diamond stitch pattern and extra padding elevates the level of comfort and style while on the go! The sliding swivel seat is 18" wide by 16" deep. Durable vibrant red, blue, and grey color shrouds add to the sportiness. Other features include easy disassembly, front and rear lighting package with side reflectors, and new wheels. Standard U1 batteries offer a 14 mile per-charge range. An optional 50AH battery offers extended range. The Companion GC440 is rugged, dependable and an outstanding value for a full-time, yet portable 4-wheel scooter.
