Stride GP301

The all-new Stride Power Wheelchair will take you where you want to go in comfort and style! The Stride is stylish with a two-tone grey and black seat with removable cushion and a tall back for long-lasting comfort while on the go. Modern-looking front and back comfort spring suspension add to the smooth ride. The sporty design is perfect for navigating indoors and out while sightseeing, shopping, or dining. This portable folding power chair is lightweight with an aluminum frame and stows easily in the trunk of your car. Weighing as light as 52.6 lbs.*, the Stride is the perfect choice to take on road trips, cruise ships and airplanes. The Stride features a well-styled joystick designed to make everyday tasks easier such as driving up to a table or maneuvering through a doorway. It has an impressive 23.6" turning radius and offers a 265 lb. weight capacity, maximum speed of 3.7 mph, and an operating range of up to 9.3 miles on airline-approved 10AH 24V lithium-ion batteries. It also offers convenient offboard charging and folds effortlessly for transport.

Standard Features:

- Aluminum Frame
- 265 lb. Weight Capacity
- Removable Compact Joystick with USB Charger
- 50 Amp Controller
- Comfort Spring Suspension
- Removable Padded Seat
- Convenient Under-Seat Storage & Back Seat Pocket
- Offboard Charging Capability
- Airline-approved Lithium-ion Battery
- Easy One-Step Folding
- Stands on End for Storage
