<sup>1</sup> Jazzy® Power Chairs are FDA Class II Medical Devices designed to aid individuals with mobility impairments.

<sup>2</sup> Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition and tire condition. These specifications can be subject to a variance of (+/- 10%).

<sup>3</sup> Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or - 3%).

<sup>4</sup> AGM or gel cell type required.

<sup>5</sup> Tested in accordance with ANSI/RESNA, WC Vol2, section 4 & ISO 7176-4 standards. Results derived from theoretical calculations based on battery specifications and drive system performance. Test conducted at maximum weight capacity.

<sup>6</sup> Battery weight may vary based on manufacturer.

NOTE: All specifications subject to change without notice. The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of + or - 3 %. Special order seats or non-standard dimensions will not be fold-flat and depth-adjustable.
